O.P. JINDAL GLOBAL
INSTITUTION OF EMINENCE DEEMED TO BE
UNIVERSITY
A Private University Promoting Public Service

JGU AT A GLANCE

► O.P. Jindal Global University (JGU) is a non-profit global university established by the Government of Haryana and recognised by the University Grants Commission (UGC). JGU was established as a philanthropic initiative of its Founding Chancellor, Mr. Naveen Jindal in memory of his father, Mr. O.P. Jindal. JGU is one of the few universities in Asia that maintains a 1:8 faculty-student ratio and appoints faculty members from India and different parts of the world with outstanding academic qualifications and experience. JGU is a research intensive university, which is deeply committed to its core institutional values of interdisciplinary and innovative pedagogy; pluralism and rigorous scholarship; and globalism and international engagement.

JGU has established ten schools: Jindal Global Law School (JGLS); Jindal Global Business School (JGBS); Jindal School of International Affairs (JSIA); Jindal School of Government and Public Policy (JSPP); Jindal School of Liberal Arts & Humanities (JSLH); Jindal School of Journalism & Communication (JSJC); Jindal School of Art & Architecture (JSAA); Jindal School of Banking & Finance (JSBF); Jindal School of Environment & Sustainability (JSES) and most recently Jindal School of Psychology & Counselling (JSPC). JGU has been granted "Autonomy" by the University Grants Commission and the Ministry of Education, Government of India, for receiving the "A" Grade from the National Assessment and Accreditation Council (NAAC). This makes JGU the only private university in the state of Haryana and one of the only two private universities in India to be given the status of autonomy.

JGU has made history by breaking into the QS World University Rankings 2021 Edition. We are also the only Indian private university in the top 150 'young' universities in the world (under 50 years of age) in the QS Young University Rankings 2021. JGU is the youngest University from India to feature in both these rankings. In September 2019, JGU was selected as an 'Institution of Eminence' (IOE) by the Government of India, making JGU one of only eight private universities in India to be awarded this status.

JGU was ranked in the top 700 universities in the world in the QS World University Rankings 2021 Edition, making it India's No. 1 Private University and India's No. 1 University dedicated to the Social Sciences, Arts and Humanities.

MESSAGE FROM THE DEAN

At O.P. Jindal Global University, world-class does not merely signify that we have a global faculty, global curriculum, and excellent infrastructure. Neither does it just mean that we rank in the top 700 of the QS World University Rankings and nor does it mean that we have been recognised as an Institution of Eminence.

For us, being world-class means that we remain connected to our roots while we allow our eyes, mind, and heart to be open to all that the world has offer. It means imbuing our students with lifelong learning skills for taking on the world as it is. A world that requires people to think quickly, critically, and creatively.

Across our twenty one undergraduate programmes and ten schools, our students are encouraged to develop a sense of curiosity, openness and self-reflection, to take up social and civic responsibilities, to respect diversity of societies and cultures, while adhering to the highest standards of ethical behaviour.

Our students are also engaged beyond the classroom-making a difference to the local community, engaging in sports, taking part in intellectually stimulating debates, discussions and seminars, volunteering and speaking at conferences, acting and producing plays and musicals, organizing cultural festivals and much more.

A holistic and inter-disciplinary education is the need of the hour and at JGU, we encourage students to dream big and find ways to make those dreams a reality.

I hope that you will make the best use of this opportunity to study at India's First Multidisciplinary Global University.

The JGU Admissions and Outreach Office and I welcome you to meet our students and staff, and to experience the vibrant campus life.

Welcome to JGU.

Minimum 60% aggregate marks (all subjects) in 10+2 examination (CBSE / ISC / State Board / IB). Student securing more than SAT (1100 Marks) / ACT (27 Points) / UGAT (60 Percentile) are exempted from the JSAT (Jindal Scholastic Aptitude Test) entrance exam.

All the applicants have to face a personal interview with a panel of faculty members and proves that they are excellent communicator with good interpersonal skills; able to take initiative; plan and prioritize in an adaptive and flexible way to solve problems.

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, X and XII grade marks, faculty interview, and entrance exam score (JSAT / SAT / ACT / UGAT).

BA (HONS.) GLOBAL AFFAIRS

This programme provides a holistic understanding of international political theory and in-depth study of international affairs. It will help students to develop critical analytical skills in diverse fields. They will learn to apply systematic methodological research and analyse and historically contextualize contemporary global events. Students will be encouraged to think, work, study and conduct research independently.

DISTINCTIVE FEATURES

- Global curriculum and pedagogy, and multi-disciplinary courses to train students in different areas of Global Policy studies.
- Mandatory foreign language learning with a choice of Mandarin Chinese, Arabic, Spanish, French and Dari.
- Partnership for semester exchange programmes, summer schools, winter schools, and 2+2 programmes with educational establishments like Indiana University's School of Public and Environmental Affairs (SPEA), U.S.A.; Bush School of Government and Public Service, Texas A&M University, U.S.A.; School of International Service, Ryerson University, Canada; Faculty of Social Sciences, University of Wroclaw, Poland; Centre for European Studies, Katholieke Universiteit (KU), Leuven, Belgium; Faculty of Humanities, Leiden University, The Netherlands; National Tsing Hua University, Taiwan; Kyung Hee University, South Korea; and Ritsumeikan University, Japan.
- Globally networked Future Diplomats Development Programme.
- Diplomacy seminars are part of the curriculum.

Course Duration:	3 Years	Programme Fee:	₹ 3,50,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
-------------------------	----------------	-----------------------	------------------------------	-------------------------	------------------------------

Minimum Eligibility: 10+2 or equivalent with a minimum of 60% marks (CBSE, ISC, state boards, IB, Cambridge and other Govt. recognized boards).

Admission Criteria: Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, faculty interview, and JSAT score of 55% or equivalent (LSAT-India /SAT /ACT).

BA (HONS.) POLITICAL SCIENCE

The B.A. Honours in Political Science degree is a three-year under-graduate programme dedicated to the study of political evolution of the world we live in. Political Science is the study of theory and practice of politics that involves description and analysis of all political activities, political thoughts and political phenomena. This degree aims to train students in all forms and manifestations of politics including local, state, national and international levels.

DISTINCTIVE FEATURES

- Focused on the lived political experiences in the real world.
- Imparts deep knowledge of politics of different regions of the world, political economy, regional organisations, war and peace, diplomacy and foreign policy studies.
- Provides interdisciplinary courses on related social sciences and humanities subjects such as Economics, Sociology, History and Philosophy so that students have a holistic and rounded understanding of political affairs.
- Teaches students how to read, question, approach and write on national politics and global issues; and provides opportunities for the application of these skills which are fundamental to any professional path they pursue.
- Option to learn a foreign language – Arabic, Chinese Mandarin, French, Persian and Dari.

Course Duration: **3 Years**

Programme Fee: **₹ 3,50,000/- Per Year**

Residential Fee: **₹ 2,60,000/- Per Year**

Minimum Eligibility:

10+2 or equivalent with a minimum of 60% marks (CBSE, ISC, state boards, IB, Cambridge and other Govt. recognized boards).

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, faculty interview, and JSAT score of 55% or equivalent (LSAT-India / SAT / ACT).

BA (HONS.) ECONOMICS

The programme provides theoretical and practical knowledge that allows students to focus on worldwide issues related to economics and business, to help develop the student's analytical and problem solving skills. A graduate of the programme would be able to understand the relation between economy and society; evaluate economic problems from a global perspective while taking a local approach to solving them. The programme will encourage students to make critical connections between different components of an economic system.

DISTINCTIVE FEATURES

- Internationally qualified faculty from leading universities of the world.
- Wide variety of elective courses and specializations.
- Participation in research centres aimed to generate ideas, and knowledge about and practices of democratized development.
- 'Study Abroad' opportunities through summer schools, winter schools and semester exchange programmes.
- International alliances building a global network through International Development and Public Policy Alliance.
- (IDPPA) and International Public Policy Association.

Course Duration:	3 Years	Programme Fee:	₹ 3,50,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
------------------	----------------	----------------	------------------------------	------------------	------------------------------

Minimum Eligibility:

10+2 or equivalent with a minimum of 60% marks (CBSE, ISC, state boards, IB, Cambridge and other Govt. recognized boards). Mathematics in grade XII preferred.

Admission Criteria:

Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, faculty interview, and JSAT score of 55% or equivalent (LSAT-India / SAT / ACT). Applicants without Mathematics in class XI and XII need to secure at least 65% unweighted score in the quantitative skills section to qualify.

BA (HONS.) SOCIAL SCIENCE & POLICY

BA (Hons.) in Social Science and Policy is a unique and first of its kind interdisciplinary programme in India, which provides the students with a solid grounding in social science theories and their applications. Students will learn to use social sciences to solve problems of the society and the economy. They will acquire skills to develop models and tools, and apply those in the field of public policy, development interventions, journalism, advocacy, communications, branding and marketing research. The broad structure of the programme will impart the knowledge required to succeed in the civil services entrance examination. The core courses will help students to gain conceptual clarity and an array of electives will allow them to learn about the social issues and topics of their choice.

The programme will offer exposure to the real world practices through internships, research and capstone projects. All the students will be extensively mentored by the faculty members and industry specialists.

DISTINCTIVE FEATURES

- Faculty trained at the best universities of the world.
- Original, innovative and dynamic curriculum that allows the students to gain cutting-edge knowledge.
- A large selection of core and elective courses allows students to pursue their own interests.
- Strong emphasis on the development of quantitative and qualitative research, writing and communication skills.
- Real-world exposure and scope to interact with experts in the field and industry.
- International collaborations offer opportunities for student exchange and summer schools in renowned foreign universities.

Course Duration:	3 Years	Programme Fee:	₹ 2,50,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
-------------------------	----------------	-----------------------	------------------------------	-------------------------	------------------------------

Minimum Eligibility: 10+2 or equivalent with a minimum of 60% marks (CBSE, ISC, state boards, IB, Cambridge and other Govt. recognized boards).

Admission Criteria: Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, faculty interview, and JSAT score of 55% or equivalent (LSAT-India / SAT / ACT).

Jindal School of
Liberal Arts & Humanities
India's First Transnational Humanities School

BA (HONS.) LIBERAL ARTS & HUMANITIES

Liberal Arts is an innovative pedagogy focused on small classes, close faculty-student engagement, and a strong interdisciplinary foundation with specializations in specific subjects. The degree enables the student to learn to be effective communicators and critical thinkers. It equips them with the ability to pursue professional and academic opportunities of their interest. The holistic nature of the programme empowers students to take up a wide range of internships, projects and field work as well.

DISTINCTIVE FEATURES

- Interdisciplinary foundation courses help students engage in a variety of social science and humanities subjects such as Literature, History, Environmental Studies, Political Science, Expressive Arts and Philosophy.
- Experiential learning with emphasis on discussion, debate and hands-on activities, and field work in Delhi/NCR and beyond.
- International arrangements for summer school and semester exchange in leading universities like Oxford University (UK), Trinity College, Dublin (Ireland), Harvard University (USA), London School of Economics (UK), Queen Mary London (UK), International College of Liberal Arts at Yamanshi (Japan).
- Students can choose from ten different majors: Economics, Environment and Sustainability, Expressive Arts (Visual Arts), Global Studies, History, International Business, Literary Studies, Philosophy, Political Science and Psychology.
- Option of a self-designed major, where the students design their major in consultation with two faculty directors of study. Past self-designed majors have included Art History and Literature, International Relations, Environmental Psychology, and Psychology and Expressive Arts.
- A unique four-year dual-degree programme with Rollins College, Florida whereby students have the option of studying two years at JSLH and the next two in Rollins College.
- Students also have the option to pursue optional 4th Year through our Jindal Fellowship Program.

Course Duration:	3 Years	Programme Fee:	₹ 6,50,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
-------------------------	----------------	-----------------------	------------------------------	-------------------------	------------------------------

Minimum Eligibility: 10+2 or equivalent with a minimum of 60% marks (CBSE, ISC, state boards, IB, Cambridge and other Govt. recognized boards).

Admission Criteria: Applicants are selected through a holistic admission process conducted over three rounds based on personal statement, supplemental application, X and XII grade marks, faculty interview, JSAT score of 55% or equivalent (SAT / ACT / JSAT).

BACHELOR OF FINE ARTS (HONS.)

We believe in a holistic and interdisciplinary approach to art education that integrates traditional skills and contemporary conceptual approach to art-making. Apart from an intensive studio practice and exposure to the foundations of liberal arts such as sociology, literature, philosophy and politics, the students will participate in the interdisciplinary seminars, develop their communication skills and learn to form a thesis. In this manner, our students will be more equipped to contribute meaningfully to the contemporary art field. Our art education program is grounded upon a rich visual art experience for JSLH's undergraduate students.

The program is divided into four interconnected segments: study, skill, concept and creativity. Each of the courses will fall into one of these components which will run throughout the program.

DISTINCTIVE FEATURES

- **Study** is the foundation for art creation. If traditionally study was understood as a visual analysis of the environment and its objects through sketches, drawing and claymodelling, we expand this limited perspective to include the study of space, colors, body, text, etc.
- **Skill** is a matter of contention among artists and art educators. It is either celebrated or criticised by practitioners and art teachers. We believe in the centrality of skills, but also in the need to rejuvenate its meaning and purpose. A skillful artist, nowadays does not only know how to draw, paint, sculpt or take photos, but also to amalgamate visuals and ideas, art-making processes and its conceptualization.
- **Concept** is central to contemporary art-making. In addition to courses on art history, theory and philosophy, the students will be exposed to the latest developments in the fields of cultural studies, critical theory and visual culture. Theory classes will include visits to art galleries and studios, and interaction with artists, curators, collectors and art dealers, which will give the students a first-hand exposure to the dynamics of the art world.
- **Creativity** binds all the segments of the program. Study, Skill and Concept should help the students to develop their unique visual language and artistic concerns. The courses in this segment will be dedicated to both traditional and contemporary media such as painting, video art, sculpture, installation art, performance, digital art etc.

Course Duration:	4 Years	Programme Fee:	₹ 4,50,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
------------------	----------------	----------------	------------------------------	------------------	------------------------------

Minimum Eligibility: 10+2 or equivalent (CBSE, ISC, State Boards, IB, Cambridge and other Government Recognized Boards)

Admission Criteria: Applicants are selected through a holistic admissions process conducted over three rounds based on a personal statement, supplemental application, X and XII Grade Marks, Faculty Interview, and JSAT Score of 55% or equivalent (SAT/ACT/JSAT).

BA (HONS.) JOURNALISM & MEDIA STUDIES

This degree will enable students to become communication professionals equipped with critical thinking and leadership skills rooted on a global interdisciplinary perspective. Graduates of Journalism and Media Studies will be given practical training in state-of-the-art radio and television studios in a vibrant and scholarly setting. Students will learn to question the status quo as they acquire the skills and knowledge that will enable them to excel in their professional pursuits.

DISTINCTIVE FEATURES

- Curriculum and pedagogy that remains strongly rooted in the values of Humanities and Social Sciences, drawing from the best practices in India and abroad.
- Internationally qualified teaching and research faculty, including industry practitioners.
- Global opportunities for a semester abroad in IDC Herzilya, Israel; Vietnam National University, Vietnam; Koç University, Turkey; Universiti Teknologi MARA, Malaysia.
- Summer School programme with U.C. Berkeley University, California on Global Media and International Journalism.
- Practical training in state-of-the-art Radio and Television Studios.
- Students can choose inter-disciplinary electives from other schools and institutions of JGU, in addition to electives offered by JSJC.
- Strong emphasis on professional internships across leading media & production houses like BBC-worldwide, CNN-IBN, NDTV, Zee News, PTI, AajTak, The Times of India, The Hindustan Times, Carrot Films and in International NGOs like Oxfam and Amnesty International.

Course Duration:	3 Years	Programme Fee:	₹ 3,50,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
-------------------------	----------------	-----------------------	------------------------------	-------------------------	------------------------------

Minimum Eligibility:	10+2 or equivalent with a minimum of 60% marks (CBSE, ISC, state boards, IB, Cambridge and other Govt. recognized boards).
-----------------------------	--

Admission Criteria:	Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, faculty interview, and JSAT score of 55% or equivalent (LSAT-India /SAT /ACT).

- International opportunities include summer/winter school; short-term study abroad; semester exchange and a specially designed certificate programme at the world renowned Wharton School at Upenn (USA).
- Financial accounting & modeling courses directly from KPMG and EY, two among the 'Big Four' firms.
- Select elective courses under the domains of: (1) Financial Planning & Management; (2) Banking & Finance Law; (3) Fintech & Analytics; (4) Global Consultancy & Entrepreneurship.
- Our CFA club will guide & train aspirants. We encourage participation in Investment club, Innovation Labs, & Toastmasters.
- The programme is open to students from Science, Commerce, Arts & Humanities background with or without advanced skills in mathematics. We offer early stage preparatory/ bridge classes in Mathematics, Accountancy and Economics.

Course Duration:	3 Years	Programme Fee:	₹ 3,50,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
Minimum Eligibility:	10+2 or equivalent with a minimum of 60% marks (CBSE, ISC, state boards, IB, Cambridge and other Govt. recognized boards)				

Admission Criteria:	Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, faculty interview, and JSAT score of 55% or equivalent (SAT / ACT).
---------------------	--

B.A. (HONS.) FINANCE & ENTREPRENEURSHIP

India's first B.A. (Hons.) Finance & Entrepreneurship provides hands-on training that will help you understand and create new products & services, particularly around digital finance. You will learn skills that are highly sought-after in the industry and build capabilities that are transferable across professional roles. What you choose to do now will influence the transformation from who you currently are to who you want to be in the future. We will facilitate this transition by hearing your ideas and also making them happen with you.

It is an innovative programme that combines entrepreneurial skills and creative abilities with focused training in finance and practical knowledge of technology.

DISTINCTIVE FEATURES

- A nuanced understanding of issues at the intersection of finance & entrepreneurship.
- To comprehend the key drivers of success and failure of new ideas & ventures in India.
- To grasp the financial needs of new ventures and to understand underlying financial risks.
- To appreciate the role of digital financial platforms for entrepreneurship and intrapreneurship.
- Mastering tools of managing finance including working capital, cash flows and venture capital.
- Learn the craft of communication, people management, marketing strategies and legal pitfalls.
- Become familiar with the process of creating new products and services around digital finance.

Course Duration:

3 Years

Programme Fee:

₹ 4,00,000/- Per Year

Residential Fee:

₹ 2,60,000/- Per Year

Minimum Eligibility:

10+2 or equivalent (CBSE, ISC, State Boards, IB, Cambridge and other Government Recognized Boards)

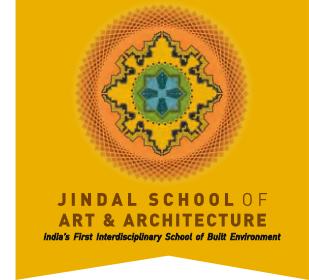

Admission Criteria:

Applicants are selected through a holistic admissions process conducted over three rounds based on a personal statement, supplemental application, performance in school, JSAT or equivalent (SAT/ACT/UGAT, LSAT-India) and Faculty Interview.

BACHELOR OF ARCHITECTURE (B. ARCH)

The Bachelor of Architecture Program at the Jindal School of Art and Architecture (JSAA) is a five-year program in architecture which prepares you for a career as a licensed architect in India. The unique program at JSAA is divided into two parts; the Major and the Minor. In the Major you learn about material and making, about design thinking. You explore the social, historical, political, economic and technological interfaces of architecture. The major allows you to participate in exchange studios and collaborative works with students from some of the best schools in architecture such as AAP (Cornell), DAAP (University of Cincinnati), Bartlett (University College of London).

DISTINCTIVE FEATURES

- 5-year program accredited by the Council of Architecture with a focus on working on live projects with real clients and consultants to make graduates industry-ready.
- Only architecture program in the country that allows for major and minor area of study. Choose from 10 minor areas of study along with architecture as your major area of study to enhance your skills sets and job placements.
- Minors looks at a wide array of studies including law, business, management, liberal arts, policy, journalism and communication, banking and finance, environment and sustainability, psychology and architecture.
- Participate in exchange studios and collaborative works with students from leading architectural colleges nationally and internationally.
- Intern with leading firms such as WWF, CIDC, TRIPP, IIT Delhi, Hyderabad Urban Lab, McGill University, Canada, Ashoka Trust for Research on Ecology and Environment (ATREE), CBRE, CSE, JLL, Observer Research Foundation, Stir World, Space Design Consultants, Scan the World, London, Opus Indigo and Jackfruit Research and Design.
- Globally acclaimed Faculty members ensuring pedagogy of highest international standards. Trained & taught at top universities across the globe like Harvard, Cornell, Oxford, UC-Berkeley, Heidelberg, Politecnico Di Milano, Cincinnati.

Course Duration: **5 Years**

Programme Fee: **₹ 4,00,000/- Per Year**

Residential Fee: **₹ 2,60,000/- Per Year**

Minimum Eligibility:

No candidate shall be admitted to architecture course unless he has passed an examination at the end of the 10+2 scheme of examination with at least 50 per cent. aggregate marks in Physics, Chemistry and Mathematics and also at least 50 per cent. marks in aggregate of the 10+2 level examination or passed 10+3 Diploma Examination with Mathematics as compulsory subject with at least 50 per cent. marks in aggregate.

Admission Criteria:

Admission to the program is through a competitive process conducted over three rounds:

- The application process with its personal statement and supplemental information
- NATA or JEE-2 Score
- Counseling

#Only students who apply for the scholarship need to appear in Interview.
Eligibility Criteria is defined by the Council of Architecture.

BACHELOR OF DESIGN (B. DES.)- INTERIOR

These rigorous 4 years interdisciplinary programme is unique for several reasons. For one, we follow a learner-centric philosophy, and thus, the programme is designed around your interests, allowing you simultaneous lateral and vertical progression. Next, it is the only design programme in the country which has a major and a minor component. The major forms your focus and primary area of study, whereas the minor allows you to strengthen your interests and skills. Lastly, work experience is not only built into the programme, it forms our very bedrock.

The Interior Design Pathway allows you to apply current practices of the industry through, though not limited to Spatial Design, Building Services, Mapping Interior/ Exterior Environments and Landscapes, Body and Perception, Materials and Styles, Color and Texture, Objects, Equipment and Affordances, Lighting, Social Design and Collaborative Working, Gender and Space, Ecologies and Sustainable Practices, Field Notes and Ethnographies, Indigenous Craft Practices, Specifications and Codes, Ethics and Professional Practices.

DISTINCTIVE FEATURES

- Four-year programme, accredited by the UGC, with a focus on live projects with real clients and consultants, to make graduates ready to enter the industry as: Interior Architect, Scenographer, Furniture Designer, Lighting Designer, Product Designer, Marketing and Sales, Hospitality consultant, Sustainable interiors consultant, Curatorial Consultant, and Interior Journalist. Curriculum based on developing practical hands-on knowledge through peer learning and collaboration for local and global contexts.
- Strong focus on interdisciplinarity through flexible and self-designed Major + Minor curricular structure. Only design program in the country that allows for major and minor area of study. Choose from 10 minor areas of study along with Interior as your major area of study to enhance your skills sets and job placements.
- Minors prepare you for a wider area of jobs and studies including law, business, management, liberal arts, policy, journalism and communication, banking and finance, environment and sustainability, psychology and architecture.
- Multiple opportunities for study abroad, semester exchanges and international trips.
- Intern with leading firms such as WWF, CIDC, TRIPP, IIT Delhi, Hyderabad Urban Lab, McGill University, Canada, Ashoka Trust for Research on Ecology and Environment (ATREE), CBRE, CSE, JL, Observer Research Foundation, Stir World, Space Design Consultants, Scan the World, London, Opus Indigo and Jackfruit Research and Design.
- Globally acclaimed Faculty members ensuring pedagogy of highest international standards. Trained & taught at top universities across the globe like Harvard, Cornell, Oxford, UC-Berkeley, Heidelberg, Politecnico Di Milano, Cincinnati.

Course Duration:	4 Years	Programme Fee:	₹ 3,00,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
------------------	----------------	----------------	------------------------------	------------------	------------------------------

Minimum Eligibility:

10+2 or equivalent with a minimum of 50% marks (CBSE, ISC, State Boards, IB, Cambridge, and any Government Recognized Boards). Students completing grade 12th in 2021 are also eligible to apply.

Admission to the program is through a competitive process conducted over three rounds:

1. The application process with its personal statement and supplemental information
2. Jindal Creative Aptitude Test -JCAT (the entrance exam).
3. An interview process which includes a portfolio review.
• Only students who clear rounds 1 and 2 will receive the invite to appear in the Interview and portfolio review.

BACHELOR OF DESIGN (B. DES.)- URBAN

In the (somewhat modified) words of Julius Norwich, we believe that in a City, more than anywhere else, the whole is greater than the sum of the parts. However majestic the physical structures, the ultimate masterpiece remains the City itself. As such, the Bachelor of Design (Urban) pathway is designed to give students the tools to engage with the City; as object, as people; as metaphor, as relationships, as networks, as an organism. The pathway empowers students to look at urban areas as formations with multiple spatiality's and temporalities that are continually interacting. The Urban pathway provides students with a variety of perspectives by drawing its faculty from a wide spectrum of academic and operational expertise, ranging from history, sociology, engineering, architecture, arts, geography, economics, and anthropology, among others.

The Urban pathway allows you to apply current practices of the industry through, though not limited to Physical Layout and build, Land use, Structures of use, Social, economic and infrastructural networks, Space planning, Air and water quality, Urban governance, Law and policy studies, Geoinformatics, Environmental assessments, Public health, Real Estate and Development, Labor and work.

DISTINCTIVE FEATURES

- Four-year degree program approved by UGC, Government of India, designed for students with a wide range of interests and backgrounds preparing you for a career in government, business, education, public health, law, and the non-profit sector, among others as: Green Building Manager/ Consultant, Infrastructure and System Designers, Smart Cities Consultant, Transportation Planner, Environmental Manager, Sustainability Consultant and Planning and Development Surveyor.
- Strong focus on interdisciplinarity through flexible and self-designed Major+ Minor curricular structure. Only design program in the country that allows for major and minor area of study. Choose from 10 minor areas of study along with Urban as your major area of study to enhance your skills sets and job placements.
- Minors prepare you for a wider area of jobs and studies including law, business, management, liberal arts, policy, journalism and communication, banking and finance, environment and sustainability, psychology and architecture.
- Multiple opportunities for study abroad, semester exchanges and international trips.
- Intern with leading firms such as WWF, CIDC, TRIPP, IIT Delhi, Hyderabad Urban Lab, McGill University, Canada, Ashoka Trust for Research on Ecology and Environment (ATREE), CBRE, CSE, JLL, Observer Research Foundation, Stir World, Space Design Consultants, Scan the World, London, Opus Indigo and Jackfruit Research and Design.
- Globally acclaimed Faculty members ensuring pedagogy of highest international standards. Trained & taught at top universities across the globe like Harvard, Cornell, Oxford, UC-Berkeley, Heidelberg, Politecnico Di Milano, Cincinnati.

Course Duration:	4 Years	Programme Fee:	₹ 3,00,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
Minimum Eligibility:	10+2 or equivalent with a minimum of 50% marks (CBSE, ISC, State Boards, IB, Cambridge, and any Government Recognized Boards). Students completing grade 12 th in 2021 are also eligible to apply.				
Admission Criteria:	<p>Admission to the program is through a competitive process conducted over three rounds:</p> <ol style="list-style-type: none">1. The application process with its personal statement and supplemental information2. Jindal Creative Aptitude Test -JCAT (the entrance exam).3. An interview process which includes a portfolio review. <p>* Only students who clear rounds 1 and 2 will receive the invite to appear in the Interview and portfolio review.</p>				

BACHELOR OF DESIGN (B. DES.)- COMMUNITY

Community Developers are key individuals who improve quality of life through recommendations such as the use of public transit systems, development of walkable communities, development of affordable housing, sustainable practices, or historic preservation. They are involved in the making of communities more livable by regulating land use, creating design guidelines, or developing finance package. They ensure that all members of the community are involved and represented in decision making processes. They work intimately to solve problems while creating political, social and economic opportunities. The pathway empowers students to drive change in organizations and society at multiple levels, including towns, infrastructure, transportation networks and landscape. Their work is to create and develop designs, plans, projects that are both pleasing and functional and work to develop our communities. Graduates work with various structures, spaces, and systems from residential, transport, infrastructure and industrial.

The Community Development pathway provides you with essential and fundamental skills to work within the Development sector, Building Industry, infrastructure and planning sector, including but not limited to Space Design, System Design, Community Planning and Development, Geoinformatics, Sustainability, Governance, Adaptive Reuse, Retrofitting, Design Management, Infrastructure Design, Service Design and Development Policy.

DISTINCTIVE FEATURES

- Four-year degree program approved by UGC, Government of India, designed for students from all streams, preparing you for a career in global development sector, financial institutions, construction industry as Community and Regional Developer, Civil Services Administrator, City Managers, Development Professionals, Historic District Manager, Housing manger/Officer, Local Government Officer.
- Strong focus on critical interdisciplinarity through flexible and self-designed Major + Minor curricular structure. Only design program in the country that allows for major and minor area of study. Choose from 10 minor areas of study along with Urban as your major area of study to enhance your skills sets and job placements.
- Minors prepare you for a wider area of jobs and studies including law, business, management, liberal arts, policy, journalism and communication, banking and finance, environment and sustainability, psychology and architecture.
- Multiple opportunities for study abroad, semester exchanges and international trips.
- Intern with leading firms such as WWF, CIDC, TRIPP, IIT, Delhi, Hyderabad Urban Lab, McGill University, Canada, Ashoka Trust for Research on Ecology and Environment (ATREE), CBRE, CSE, JL, Observer Research Foundation, Stir World, Space Design Consultants, Scan the World, London, Opus Indigo and Jackfruit Research and Design.
- Globally acclaimed Faculty members ensuring pedagogy of highest international standards. Trained & taught at top universities across the globe like Harvard, Cornell, Oxford, UC-Berkeley, Heidelberg, Politecnico Di Milano, Cincinnati.

Course Duration: **4 Years**

Programme Fee: **₹ 3,00,000/- Per Year**

Residential Fee: **₹ 2,60,000/- Per Year**

Minimum Eligibility:

10+2 or equivalent with a minimum of 50% marks (CBSE, ISC, State Boards, IB, Cambridge, and any Government Recognized Boards). Students completing grade 12th in 2021 are also eligible to apply.

Admission Criteria:

Admission to the program is through a competitive process conducted over three rounds:

1. The application process with its personal statement and supplemental information
2. Jindal Creative Aptitude Test -JCAT (the entrance exam).
3. An interview process which includes a portfolio review.

• Only students who clear rounds 1 and 2 will receive the invite to appear in the Interview and portfolio review.

BA (HONS.) BUILT ENVIRONMENT STUDIES

The BA (Hons.) in Built Environment Studies at the Jindal School of Art and Architecture is a unique 3+1 (fellowship year option) program in the country. This program is especially designed for students who are interested in building and maintaining our cities, towns, infrastructure and communities from a humanistic and social scientific background. Through courses in this program you learn about the fundamentals of design & making our cities, towns infrastructure and communities in addition to learning law, policy, environmental issues, question of economics, technology, sustainability and ecology; all of which prepare you for becoming active participants in making the Built Environment of the future.

Your “classrooms” are live cases and projects where you work with experts to learn how design, policy and law and go hand in hand to make buildings, cities, infrastructure to secure development that is just and equitable for communities. At present, the program, offers pathway in Architecture Studies.

DISTINCTIVE FEATURES

- One of a kind 3 + 1 (fellowship year) architecture degree program approved by UGC, Government of India, designed for students from all streams, to make graduates ready to enter the industry as: Green Building Consultants; Heritage and Conservation manager; Landscape designers; Project Managers and Real Estate Developers; Museum curators; Architectural Historians and Critics etc. Curriculum based on developing practical hands-on knowledge through peer learning and collaboration for local and global contexts.
- Strong focus on critical interdisciplinarity through flexible and self-designed Major + Minor curricular structure. Choose from 10 minor areas of study along with Urban as your major area of study to enhance your skills sets and job placements.
- Minors prepare you for a wider area of jobs and studies including law, business, management, liberal arts, policy, journalism and communication, banking and finance, environment and sustainability, and psychology.
- Multiple opportunities for study abroad, semester exchanges and international trips.
- Intern with leading firms such as WWF, CIDC, TRIPP, IIT, Delhi, Hyderabad Urban Lab, McGill University, Canada, Ashoka Trust for Research on Ecology and Environment (ATREE), CBRE, CSE, JL, Observer Research Foundation, Stir World, Space Design Consultants, Scan the World, London, Opus Indigo and Jackfruit Research and Design.
- Globally acclaimed Faculty members ensuring pedagogy of highest international standards. Trained & taught at top universities across the globe like Harvard, Cornell, Oxford, UC-Berkeley, Heidelberg, Politecnico Di Milano, Cincinnati.

Course Duration:	3 + 1 Years	Programme Fee:	₹ 3,50,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
-------------------------	--------------------	-----------------------	------------------------------	-------------------------	------------------------------

Minimum Eligibility: 10+2 or equivalent with a minimum of 50% marks (CBSE, ISC, State Boards, IB, Cambridge, and any Government Recognized Boards). Students completing grade 12th in 2021 are also eligible to apply.

Admission Criteria: Admission to the program is through a competitive process conducted over three rounds:

1. The application process with its personal statement and supplemental information
2. Jindal Creative Aptitude Test –JCAT (the entrance exam).
3. An interview process which includes a portfolio review.

* Only students who clear rounds 1 and 2 will receive the invite to appear in the Interview and portfolio review.

BA (HONS.) ENVIRONMENTAL STUDIES

JSES offers a three-year BA (Hons.) in Environment and Sustainability with a possible specialization of student's choice within a wide pool of electives offered at JGU. JSES graduates must be able to understand the interrelation between the environment and society; to consider environment problems from a global perspective and take a local approach to solving them; to gauge the implications of decisions related to environmental policy. The program will consist of student-initiated projects that put theory into practice with real world impact.

DISTINCTIVE FEATURES

- Meet the environmental needs of the 21st century.
- Constitute a diverse faculty, students and partnerships.
- Offer a transdisciplinary approach to teaching and learning (effectively address environmental issues by integrating perspectives from the natural sciences, the social sciences, and the arts and humanities).
- Apply scientific methods to collect environmental data and evaluate environmental quality.
- Explore policy, regulation, law and governance of environmental issues.
- Invest in building environmental scholarship and environmental leadership.
- Contribute to global and local sustainability challenges.

Course Duration:	3 Years	Programme Fee:	₹ 3,00,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
-------------------------	----------------	-----------------------	------------------------------	-------------------------	------------------------------

Minimum Eligibility: 10+2 or equivalent with a minimum of 60% marks (CBSE, ISC, state boards, IB, Cambridge and other Govt. recognized boards).

Admission Criteria: Applicants are selected through a holistic admission process conducted over three rounds based on a personal statement, supplemental application, X and XII grade marks, faculty interview, and JSAT score of 55% or equivalent (SAT / ACT).

BA (HONS.) PSYCHOLOGY

The B.A. Honours in Psychology degree is awarded following completion of a three-year under-graduate programme committed to the study of human mental processes and behaviour. Students in the Jindal School of Psychology & Counselling (JSOPC) will experience a vibrant intellectual community and receive a comprehensive education in psychological theory, experimentation, and practice.

**Jindal School of
Psychology & Counselling**
India's First Transdisciplinary Psychology School

DISTINCTIVE FEATURES

- **World-class faculty:** Rich research experience and publication record, Diverse industry experience.
- **Interdisciplinary exposure and education:** 100+ electives listed across 10 schools, Interdisciplinary peer learning.
- **Experiential and skill-based learning:** Life skill based courses, Hands-on exposure.
- **International collaborations:** Short-term study abroad & semester exchange, Dual degree programme.
- **Internship opportunities:** Active support from JGU Office of Career Services, Domestic & international internship opportunities.
- **Industry informed curriculum:** Crafted in consultation with industry experts, Dynamic & customisable coursework.

Course Duration:	3 Years	Programme Fee:	₹ 4,50,000/- Per Year	Residential Fee:	₹ 2,60,000/- Per Year
-------------------------	----------------	-----------------------	------------------------------	-------------------------	------------------------------

Minimum Eligibility: 10+2 or equivalent with a minimum of 60% marks (CBSE, ISC, State Boards, IB, Cambridge and other Government Recognized Boards).

Admission Criteria: Applicants are selected through a holistic admissions process conducted over three rounds based on a personal statement, supplemental application, 10th and 12th Grade Marks, Faculty Interview, and JSAT Score of 55% or equivalent (SAT/ACT/LSAT-India).

FACILITIES

Ultra-Modern Green Campus

spread across 80 acres and 24 hours monitored security system.

Fully Air-Conditioned student on-campus housing.

Laundry Service

includes washing, drying, ironing & dry cleaning facilities.

Health & Fitness

Full-fledged gymnasium with modern equipment. Other activities includes aerobics, pilates & yoga.

Dining Services Including 3 Cafeterias

serving regular and healthy cuisines.

Sports Facilities

Wide range of sports & fitness facilities including Cricket, Basketball, Football, Badminton under the supervision of qualified coaches.

Bank Facility

ICICI Bank has a branch inside the campus in addition to multiple ATMs of other leading banks.

Jindal Global Summer School for High School Students (IX,X,XI & XII)

The Aspire India Scholars programme is a two-week residential Global Summer School under the aegis of International Institute for Higher Education Research and Capacity Building, organized annually at O.P. Jindal Global University campus.

PROGRAMME FEATURES

- Provides opportunity to get a glimpse of higher education before students make the crucial transition from high school to university.
- Course instruction delivered by internationally trained faculty, industry professionals and experts from the various fields.
- Theme-based experiential learning through innovative methodology to teach interdisciplinary modules.
- Provides holistic learning, academic engagement, global perspectives and knowledge to students on various opportunities available for higher education.
- Hands-on learning experience through workshops, study tours and cultural visits.
- Interaction with the 'Aspire India Ambassadors'- young achievers from different professional fields, acclaimed nationally and globally, to learn from their experience.
- Encourages students to participate in fun, sports activities and recreational endeavours.
- The programme aims to set participants on a voyage of self-exploration and self-discovery.

Experience of hostel life and state-of-the-art world class infrastructure at JGU.

Programme Duration: **2 Weeks** (From 6th -20th June 2021)

Programme Fee: **₹ 30,000/- + GST inclusions**

Minimum Eligibility:

Students who are currently enrolled in class 9th, 10th, 11th and 12th are eligible to apply regardless of the board or school they are

The following are included in the Fee:

Tuition | Course material | Workshops | Field trip | Counselling | Social and cultural activities | Tutorials | Mentorship | Access to JGU library | Gym and sports facilities | Health center facilities | Accommodation for two weeks (AC rooms) | 24 hour Wi-Fi | Laundry | Breakfast | Lunch | Evening snacks & Dinner.
